Dear Parent and/or Caregivers

*We are delighted that you are considering the option of Christian education.  
We believe it is one of the best investments you can make into your child(s) development and future.*

The Kaitaia Abundant Life Centre Trust is the Proprietor of the Kaitaia Abundant Life School and has the responsibility of providing major capital works for the School. The Proprietor provides all classrooms and major outdoor assets like courts and driveways.

We take great delight in seeing these assets used to provide a quality all-round education: academics, sport, the arts, and, of course, character development.

As an Integrated Private School we are legally able to charge Attendance Dues to help us provide these major facilities and service any loans outstanding to provide these facilities. The Government does not provide Integrated Schools with any support for major capital works.

For this reason, it is important that Attendance Dues are paid regularly and in advance. Please refer to the attached brochure for attendance dues rates.

Attached is an enrolment form for the Proprietors and an Automatic Payment form. These need to be completed in full and handed to Debby Peebles (Principals PA) at Kaitaia Abundant Life School after your enrolment interview and before leaving the school. Once these have been completed we will arrange for the automatic payment authority to be lodged with your bank.

If you choose to pay by automatic payment please include the following information on the form:

- **Particulars** please insert the child's name or in the case of multiple children the first four letters of the enrolling parents surname.
- **Code** please enter Att Dues
- **Reference** the Child or children's first names.
- **If you are enrolling your children part way through the school year please check with the Proprietors for the attendance dues rate.**

If you have any queries please contact the Proprietors office on 4082688 during office hours Monday to Thursday.

*We look forward to establishing a positive partnership with you and your family.*
